

# Life Drawing Class

## FACILITATOR WANTED

**Mondays 10am-1pm - West Point Grey Community Centre**

This non-instructional class is the only one of its kind in a Vancouver community centre. It has a strong 20 year following of regular participants and models, with lots of room to grow bigger.

Profits from the class are shared between the facilitator and the WPGCC (after paying the model fee).

This is a great opportunity for any artist who would like to hone their anatomy and drawing skills on a weekly basis, to connect with other artists in the community, and to earn extra cash.

For more information, please contact:  
Lynn Falconer [falconerart@me.com](mailto:falconerart@me.com), or the West Point Grey Community Centre office at **604.257.8140**.
